

**OCIA Nebraska Chapter #1
is proud to host**

**Organic Farm Tours at the Larry Stanislav Farm
& Randy Fendrich Farm**

SATURDAY, AUG 20th, 2016

- 1:30pm** **Larry Stanislav Farm: 4291 Road W, Lot 1; 2 miles north of Abie, NE**
Topics discussed will include: using a flamer in soybeans for managing weeds, incorporating cover crops, and crimping research.
- 3:30pm** **Randy Fendrich Farm: 2390 41 Street; ¾ mile east of Abie, NE**
Topics discussed will include: organic corn and soybean varieties, 12-row flamer/cultivator, soil building, and succession plan.
- 5:00pm** **Randy Anderson, Research Agronomist USDA**, will discuss canopy architecture of cover crops for planning mixtures, berseem clover establishment, and improved crop tolerance to weed interference.
- 6:00pm** **Free evening meal and social hour**
