Dear Organic Supporter:

OCIA's upcoming Annual Meeting will be 100% virtual in February, which means OCIA Research and Education won't have the opportunity to end the meeting with our usual, lively auction of handmade goodies and antiques. In lieu of that auction, we come to you today with open hands.

Your support of OCIA R&E's programs has been invaluable to us over the years, and we truly could not have funded as many organic farming research projects and scholarships, without your generous support. OCIA R&E is currently offering three levels of giving:

- OCIA R&E Organic Sustainer: \$400 or greater, receives a full-color business-card size ad in the Spring issue of OCIA's *Communicator* newsletter and your name listed with other sustainers shown during OCIA R&E's Annual Meeting presentation to OCIA certified operators.
- OCIA R&E Organic Contributor: \$300 or greater, receives your name listed with other contributors shown during OCIA R&E's Annual Meeting presentation to OCIA certified operators and listed in the Spring issue of OCIA's *Communicator*.
- OCIA R&E Grassroots Supporter: \$100 or greater receives your name listed with other supporters in the Spring issue of OCIA's *Communicator*.

We wish to thank you for your past support this time of year and hope you will consider supporting OCIA Research & Education this year. If interested, please make checks payable to *OCIA Research & Education* and mail to: OCIA R&E, 1340 N Cotner Blvd, Lincoln, NE 68505, no later than February 11<sup>th</sup>, 2022. You will receive a receipt for your charitable donation.

Sincerely,

*Angie Tunink*

On Behalf of OCIA R&E Board of Directors
